

Student-Get-A-Student

The **DoctorsManagement** School of Medical Practice Management was there when you needed us. Now the School needs you! Help us grow by participating in our **Student-Get-A-Student Program!**

- Perhaps you got an idea from the many discussions that helped solve a problem or inspired a new initiative.
- Maybe you made new friends and colleagues that strengthened your networking ability.
- Or maybe a faculty member's presentation brought you up-to-date on a critical issue.

Joining in the new program also helps YOU—and not just because you can earn some very nice rewards. You see, as the School's enrollment increases, we can hold down the cost of providing existing educational opportunities and we can add exciting new ones.

We've discovered that a good way to get new students is for the current students and alumni, like you, to help. Simply pass on the good word about The DoctorsManagement School of Medical Practice Management, along with this Student-Get-A-Student flyer! Please feel free to make additional copies for distribution—the more students the better! And don't forget to identify yourself on the back of this flyer as a referral source.

Everybody wins with this program. You win by earning a reward based on the number of students you bring in. Your colleagues win by enrolling in this dynamic educational opportunity. And everyone benefits from a stronger School!

So grab a friend! Grab several! Make a good thing even better with the Student-Get-A-Student Program. Here's how it works:

- A student or alumni referral that results in a new student enrolling into The School of Medical Practice Management at the full tuition cost of \$1,599 **earns \$200.00**
- A student or alumni referral that results in a new student (not from the same practice) enrolling into The School of Medical Practice Management at the reduced tuition cost of \$1,199 **earns \$100.**
- A student or alumni referral that results in a new student from the same practice enrolling into The School of Medical Practice Management at half tuition cost **earns \$50.***

* The reward will be a tuition credit for the new student unless specified differently by the practice.

As an attendee, I understand that I must complete each module and if beginning the program in 2010 and after, pass a 75-question multiple choice examination with 75% accuracy. By doing so, I will be awarded the Certificate of Medical Practice Management and earn the designation of Certified Medical Practice Manager (CMPM®).

As an e-Student, I acknowledge that I am required to sign on to the live event for each of the required four modules, and remain as a participant for all dates and times, just as if I were attending the event in person. I further understand the following:

- Time will be provided, as in the live event, for breaks and lunch.
- As an e-Student, my webcast connection will be maintained as record of my attendance at the program; any dispute regarding an electronic disruption between myself and the event will be handled on a case-by-case basis and decided at the sole discretion of the program director.
- As a registered student, I give my personal attestation of my presence at each educational session and any additional person (s) benefiting from the e-training event is individually registered with tuition paid.

Application Procedures: It's easy to apply for admission to the Practice Manager Certificate Program. You may register by mail, phone, e-mail or fax. Early registration is encouraged as seating is limited. Upon receipt of the registration, confirmation will be sent to you as needed modules approach. Please make checks payable to **DoctorsManagement**. Confirmed registrants may cancel and receive prorated refunds up to ten working days before each class. All cancellations must be in writing and sent to DoctorsManagement, PO Box 23590, Knoxville, TN 37933.
